

Maitri Health 3D Mask

True Safety with Comfort and Style - ASTM Level 2

The 3D mask is a next generation ear loop mask that brings comfort, style and lab certified protection. Our 3D Mask comes in three options: ASTM Level 1, 2 or 3 certified for proper filtration. Style and comfort should not be sacrificed for safety and the 3D Mask covers all of these with ease.

For the first time in decades, the surgical grade mask has a new design that allows for comfort and feel. Our design delivers for the needs of healthcare professionals and users of all types. Several models, colors and customized branded logo options for your organization to choose from.

The 3D Mask is part of a manufacturing partnership with INNO Life Care. The 3D Mask is part of the Maitri Health Technologies system of products and solutions. Our platform is made up of best of breed materials and technology to keep our world safe today and into the future.
